*Re: Request for Proposal CUC RFP #07-001*

Dear Executive Director Guerrero:

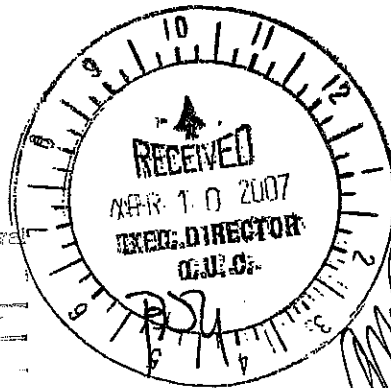

This is to inform you that Telesource CNMI, Inc. meets all the criteria for automatic pre-qualification for the above referenced RFP as per Public Law 15-40 and we intend to submit a sealed proposal for the upcoming privatization of CUC's power business. We intend to pay the required proposal fee as mandated by PL 15-40. It is our understanding that as a local company pre-qualified under PL 15-40 we are not required to pay the \$25,000 pre-qualification fee.

This letter is submitted without prejudice to our protest filed on February 22, 2007.

Yours truly,

*Michel El-Rahi*
