

Notice of Deadline – April 2, 2007 – midnight, Saipan local time.

We urge all offerors to file early. This will avoid potential email and wire transfer issues.

The deadline to close the Pre-Qualification stage and electronic filing of the pre-qualification documents is midnight, April 2, 2007, Saipan local time.

You must comply with the deadline. You must ensure that the required fee of US \$25, 000.00 is credited into CUC's account by that time.

Make sure the full amount is paid. Some banks deduct a fee. Our bank has advised us that they do not charge any local fee for the transaction. But yours may.

The submission deadline for hard copies (1 original + 7 copies) of the e-filed Pre-Qualification Proposal is also near. Hard copies must be received by CUC, no later than April 13, 2007 at 4.30pm, Saipan local time.

Thank you,

The CUC Privatization Team
