Comments: I wanted to know if there are any incentives like there is in
Hawaii. We have a 30% federal credit and a 35% state credit. Other states have
many other incentives. Please let me know what your thoughts are. Thank You

CUC RESPONSE : CUC is not aware of any credits available/provided in CNMI,
however we are confirming with other local and Federal agencies and would
inform all potential proposers the status once confirmed.

Thank you for your interest.
